Sir:

Although the Public PAIR transaction history and image file wrapper show that a Power of Attorney and Change of Correspondence Address (copy attached below) in favor of Irell & Manella was filed in the above referenced application on 12/30/05, a final Office action dated 8/22/06 was nevertheless mailed to previous counsel Pillsbury Winthrop. Further, when we recently submitted a Customer Number Upload Sheet, we were advised by EBC that upload of this application was rejected on the ground that it failed the power of attorney audit check. We notified EBC of the Power of Attorney status but were advised that only the Group Art Unit in charge of the application could effect the necessary changes in the USPTO records.

Therefore, the undersigned respectfully requests that the Power of Attorney filed on 12/30/05 be made of record so that all future correspondence is directed to Irell & Manella, and EBC can upload this application to our customer number.
